

FSTC Adult Programming

Adult Drills and Lessons

We offer drills for players of all levels! From our Tuesday night "Five Bar Tennis" drop-in drill, to our Wednesday and Saturday Men's Drills, to our Adult Beginner and Intermediate classes. Most classes offer a drop-in option.

Wikaduke Tennis Federation

The newest format for competitive players! We offer area men and women the chance to come and play competitive doubles on the same day and time each week! It's open-ended, no timed matches! We offer daytime women's leagues, evening men's doubles leagues, Friday night mixed leagues and Sunday singles!

For more info contact Paula Endress at 630-282-4888 or e-mail paula@fivestartennis.com.

NITTL Tennis

The Northern Illinois Traveling Tennis League provides our members with the opportunity to play competitive tennis as a part of a team representing Five Star Tennis! Take part in the weekly team drill, drop-in to a weekly add-on drill, and play in the weekly match! You do not have to play every week! For information on the teams that we will have for the current season, call 630-282-4888.

USTA Teams

We have USTA teams at multiple levels, both single-gender and co-ed! Teams play in the evening and on weekends. For more info contact Laurie Delgrosso at 630-282-4888 or e-mail ustafivestar@gmail.com.

Adult Mixers

We host an adult event each month to give our adults the chance to get out and meet each other in a fun, competitive environment! Don't miss the best mixers around! See our schedule online!

five star tennis center
