

# FSTC Green Ballers

The Junior Development Program exists to guide players through the process of developing the foundation that will build competitive athletes. Through a fun and team based environment we provide players the pathway to build character and meet their tennis goals.

## Green Dot

Stroke development is covered along with rally skills and serving. Players should be ready to rally from the baseline. Proper volley technique will be covered.

## Advanced Green

Director approval required. Players must be actively playing USTA Progression events to participate in this program. Green Dot Ball Control class is highly recommended.

## Academy Green

Director approval required. This class is a part of our Junior Performance Pathway and is considered a High Performance class. Players must regularly play USTA Progression events. All players must also take either weekly private lesson with a Five Star Tennis professional or commit to two classes weekly.

For more info, and to schedule a free placement, please call 630-282-4888 and ask for Katie Finke, or e-mail [kfinke19@gmail.com](mailto:kfinke19@gmail.com).

## Team Challenges

Open to players in Green Dot and Advanced Green 1. Put your skills to the test in a fun, hour-long series to challenges focused on the fundamentals of tennis!

## Green Dot Team Cup

Learn to compete on your home courts! Players will go through serve and return work, and will learn matchplay basics, before breaking into teams and competing in singles and doubles matches!

## USTA Progression Tournaments

We host monthly Orange Ball USTA Progression Tournaments for juniors to compete and test their skills in. All events are non-elimination, with pizza served at the end of the event.
