

# FSTC Green Ballers

The Junior Development Program exists to guide players through the process of developing the foundation that will build competitive athletes. Through a fun and team based environment we provide players the pathway to build character and meet their tennis goals.

## Green Dot

Stroke development is covered along with rally skills and serving. Players should be ready to rally from the baseline. Proper volley technique will be covered.

## Advanced Green

Director approval required. Players must be actively playing USTA Progression events to participate in this program. Advanced and Academy Green Dot Team Cup is highly recommended.

## Academy Green

Director approval required. This class is a part of our Junior Performance Pathway and is considered a High Performance class. Players must regularly play USTA Progression events. All players must also take either weekly private lesson with a Five Star Tennis professional or commit to two classes weekly.
