Orange Ball Control Class

Ball Control focuses on one specific skill each week. Players spend a full hour working on a skill and then using it in rally/match situations at the end of class. Great for mastering strokes.

10 and Under Olympic Skills!

All young athletes need the ABC's - Agility, Balance and Coordination! Our fitness director Kevin Bauman will lead players between the ages of 6 and 10 through an hourly weekly clinic designed to build each child's overall athleticism.

USTA Progression Tournaments

We host monthly Orange Ball USTA Progression Tournaments for juniors to compete and test their skills in. All events are non-elimination, with pizza served at the end of the event.
